

# Technology Requirements

Last updated August 2018

Students and teachers must have regular internet access at school and preferably at home in order to take Pamoja's online IB Diploma Programme courses. Our Learning Management System (LMS) supports both Windows and Mac operating systems.

### Operating system:

- Windows 7, 8 & 10
- Mac OS X compatible

### Display:

- Minimum resolution of 1024 x 768 is required, but higher is recommended

### Zoom:

- [Latest version](#)

### Internet speed:

- A broadband internet connection is required

### Supported browsers:

Browser (latest version)	Windows	Mac
Google Chrome	Supported (recommended)	Supported (recommended)
Firefox	Supported	Supported
Microsoft Edge	Supported	-
Safari	-	Supported
