Business (9609)	\$1,200	\$1,250
Mathematics (9709)	\$1,200	\$1,250

Year 1 lifecycle: key dates and special fees

Withdrawals	No fee	\$350 admin fee No tuition fee	Full Y1 tuition fee payable
Course changes	No fee	No fee	Minimum switch fee of \$350 (Note 1)
Failure to complete SBC orientation by Y1 drop date	N/A	N/A	\$100 (Note 2)

Key points

- Fees apply per enrolment and per course
- Where dates apply (eg to withdrawals), Pamoja must be informed in writing by the deadline. Verbal communication is not adequate – a written record must be available

Note 1 (Course changes from 2 October 2019)

- Request requires a transfer review. The review will consider what catch-up work is required to be performed by the student, whether this is achievable and what additional teaching support is required.
- If the change is approved, then a minimum switch fee of \$350 will apply (it will be more if additional teaching support is required). There is just one tuition fee (we don't charge tuition fees for both courses).
- No fee will be charged if the change is not approved.

Note 2 (SBC orientation)

The Site-based Coordinator (SBC) orientation is a free short self-paced orientation course designed to familiarise SBCs with the navigation of our Pamoja Taught platform, as well as the main concepts and online tools that they will need to utilise in order to best support students in their online course.

There is a strong correlation between successful students and SBCs who have completed their training. It is therefore a contractual requirement that all SBCs complete their training. As a further encouragement, we charge schools \$100 if an SBC has not completed the training by the Y1 drop date (1 October 2019) or within 4 weeks of the school's registration on Pamoja's system, whichever later.

Special considerations

Pamoja students moving schools

If a Pamoja student moves to another Cambridge International School during the academic year, the new school will not be charged unless the original school has not paid. Overall there will only be one tuition fee.

Medical exceptions

In the case where a student has had to leave their online course due to medical conditions, the fee charged can be reviewed. Approval required from Pamoja Operations Director.

- Failure to successfully register students as online candidates on IBIS results in significant additional work for Pamoja, and ultimately can result in the candidate not completing their IB DP. A fee of \$100 per unregistered student will be applied if students have not been registered as online candidate on IBIS by the IB official deadline (15 January 2020).

If a Pamoja student moves to another IB World School during the academic year, the new school will not be charged unless the original school has not paid. Overall there will only be one tuition fee.
