Please refer to the quote provided by your Business Development Consultant to find out the total amount of tuition fees your school will be charged.

Year 1 lifecycle: key dates and special fees

	Pre 12 Feb 2020	12 Feb to 10 Mar 2020	From 11 Mar 2020
Withdrawals	No fee	\$350 admin fee No tuition fee	Full Y1 tuition fee payable
Course changes	No fee	No fee	Minimum switch fee of \$350 (Note 1)
Failure to complete SBC orientation by Y1 drop date	N/A	N/A	\$100 (Note 2)

Key points

- Fees apply per enrolment and per course
- Where dates apply (eg to withdrawals), Pamoja must be informed in writing by the deadline. Verbal communication is not adequate – a written record must be available

Note 1 (Course changes from 11 March 2020)

- Request requires a transfer review. The review will consider what catch-up work is required to be performed by the student, whether this is achievable and what additional teaching support is required.
- If the change is approved, then a minimum switch fee of \$350 will apply (it will be more if additional teaching support is required). There is just one tuition fee (we don't charge tuition fees for both courses).
- No fee will be charged if the change is not approved.

Note 2 (SBC orientation)

The Site-based Coordinator (SBC) orientation is a free short self-paced orientation course designed to familiarise SBCs with the navigation of our Pamoja Taught platform, as well as the main concepts and online tools that they will need to utilise in order to best support students in their online course.

There is a strong correlation between successful students and SBCs who have completed their training. It is therefore a contractual requirement that all SBCs complete their training. As a further encouragement, we charge schools \$100 if an SBC has not completed the training by the Y1 drop date (10 March 2020) or within 4 weeks of the school's registration on Pamoja's system, whichever later.

Special considerations

Pamoja students moving schools

If a Pamoja student moves to another Cambridge International School during the academic year, the new school will not be charged unless the original school has not paid. Overall there will only be one tuition fee.

Medical exceptions

In the case where a student has had to leave their online course due to medical conditions, the fee charged can be reviewed. Approval required from Pamoja Operations Director.

- It is the IB World School's Diploma Programme Coordinator's responsibility to register Pamoja Taught Year two students as **online candidates** on the International Baccalaureate's system IBIS ahead of the November examinations, or inform us in writing that the student will not be registered at all on IBIS since not sitting the final examinations.
- Failure to successfully register students as online candidates on IBIS results in significant additional work for Pamoja, and ultimately can result in the candidate not completing their IB DP. A fee of \$100 per unregistered student will be applied if students have not been registered as online candidate on IBIS by the IB official deadline (15 July 2020).

Special considerations

Pamoja students moving schools

If a Pamoja student moves to another IB World School during the academic year, the new school will not be charged unless the original school has not paid. Overall there will only be one tuition fee.

Medical exceptions

In the case where a student has had to leave their online course due to medical conditions, the fee charged can be reviewed. Approval required from Pamoja Operations Director.

Extended Essay

Please refer to the quote provided by your Business Development Consultant to find out the total amount of Pamoja Taught Extended Essay fees your school will be charged.

The Pamoja Taught Extended Essay (EE) fee is chargeable from enrolment and non-refundable.

The student must be taking a Pamoja Taught course with us to be eligible for Pamoja Taught Extended Essay.

The Extended Essay must be in a subject where we offer a Pamoja Taught course (but the student doesn't have to be taking that course with us, so, for example, a student taking Pamoja Taught Mathematics HL could do an extended essay in Psychology).

An additional Extended Essay fee will be charged in case of a change of Pamoja Taught EE subject.

We reserve the right not to accept EE requests where we do not have teacher capacity.
