- No fee will be charged if the change is not approved.

Note 2 (Transfer students from 29 Sep 2020)

- Request requires a transfer review. The review will consider what catch-up work is required to be performed by the student, whether this is achievable and what additional teaching support is required.

Note 3 (SBC orientation)

The Site-based Coordinator (SBC) orientation is a free short self-paced orientation course designed to familiarise SBCs with the navigation of our Pamoja Online Courses platform, as well as the main concepts and online tools that they will need to utilise in order to best support students in their online course.

There is a strong correlation between successful students and SBCs who have completed their training. It is therefore a contractual requirement that all SBCs complete their training. As a further encouragement, we charge schools \$100 if an SBC has not completed the training by the Y1 drop date (29 Sep 2020) or within 4 weeks of the school's registration on Pamoja's system, whichever later.

- Failure to successfully register students as online candidates on IBIS results in significant additional work for Pamoja, and ultimately can result in the candidate not completing their IB DP. A fee of \$100 per unregistered student will be applied if students have not been registered as online candidate on IBIS by the IB official deadline (15 January 2022).
